It is such a privilege to be part of Made In Clarkdale. For many of us it's our only chance to experience showing our work. We have a great group, full of people ready to volunteer; the show would not go on without all your hard work. Artists have always been obligated to join in the opening night festivities, but there's a lot to be done before and after. We ask that all artists commit to at least two activities. Please indicate the activities you are volunteering for below. Only artists willing to participate in these activities are encouraged to show in MIC. Don't miss this opportunity to be part of your community's art culture.
